MY NEIGHBOR WILL**

March 25, 2010

North Arlington has experienced an increase in daytime burglaries over the last two months. On two occasions residents confronted an actor who was in their home. On both occasions the actor fled on foot. The acts are taking place predominantly during the week although we experienced an attempt on Sunday, March 21st that was interrupted by a resident.

Proceeds include: jewelry, laptops, video games and flat screen televisions of various sizes.

Neighboring community police departments are experiencing similar incidents.

I'm asking for your assistance by being vigilant in your community and immediately reporting all suspicious activity by calling the North Arlington Police Department at (201) 991-4400.

Thank you,

Louis M. Ghione
Chief of Police
